AFFIDAVIT OF RANDALL J. MILLER IN SUPPORT OF APPLICATION  
FOR ORDER UNDER 11 U.S.C. §§ 327(a), 328(a), AND 1107(b)  
AUTHORIZING EMPLOYMENT AND RETENTION OF ERNST & YOUNG LLP AS  
SARBANES-OXLEY, VALUATION AND TAX SERVICES PROVIDERS TO DEBTORS,  
EFFECTIVE NUNC PRO TUNC TO OCTOBER 8, 2005

Randall J. Miller, being duly sworn, deposes and states as follows:

1. I am a partner in the firm of Ernst & Young LLP ("E&Y LLP"). I submit this Affidavit on behalf of E&Y LLP in support of the application (the "Application") of Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively with Delphi, the "Debtors"), for an order pursuant to sections 327(a), 328(a) and 1107(b) of title 11 of the United States Code (the "Bankruptcy Code") and Rule 2014 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") authorizing the Debtors to retain and employ E&Y LLP to provide Sarbanes-Oxley, valuation, and tax services, *nunc pro tunc* to October 8, 2005, pursuant to the terms and conditions set forth in the engagement letters attached as **Exhibits A, B, C and D to the Application** for Sarbanes-Oxley services dated as of November 23, 2005 (the "SOX Engagement Letter"), for certain valuation services dated as of November 23, 2005 (the "Valuation Engagement Letter"), for tax services with Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden") dated as of November 28, 2005 ("Skadden Tax Engagement Letter"), and for tax services with Delphi dated as of November 28, 2005 (the "Delphi Tax Engagement Letter,"

and together with the SOX Engagement Letter, the Valuation Engagement Letter, and the Skadden Tax Engagement Letter, the “*Engagement Letters*”).<sup>1</sup>

2. Except as otherwise indicated, all facts set forth in this Affidavit are based upon my personal knowledge, information and belief; information supplied to me by other employees of E&Y LLP; information learned from client-matter records kept in the ordinary course of business that were reviewed by me or other employees of E&Y LLP under my supervision and direction; my experience and knowledge of the Debtors’ operations and financial condition; and/or my experience from working on matters similar to this engagement.<sup>2</sup> If called as a witness, I would testify competently to the matters set forth herein.

#### QUALIFICATION OF PROFESSIONALS

3. E&Y LLP and the professionals that it employs are qualified to represent the Debtors in the matters for which E&Y LLP is proposed to be employed.

4. As of February 23, 2005, E&Y LLP has been engaged by the Debtors to provide Sarbanes-Oxley, valuation and/or tax services pursuant to certain engagement letters and amendments thereto between Delphi and E&Y LLP dated as of February 23, 2005, April 18, 2005, April 20, 2005, and June 3, 2005 (collectively, the “*Pre-Petition Engagement Letters*”). Subject to the Court’s approval, the Engagement Letters, under which the Debtors are seeking to retain and employ E&Y LLP, supersede the Pre-Petition Engagement Letters.

---

<sup>1</sup> Unless otherwise defined, all capitalized terms used herein have the meanings given to them in the Application.

<sup>2</sup> In particular, the procedure pursuant to which E&Y LLP determined whether there were any connections between E&Y LLP and any party-in-interest is described in paragraphs 24 through 49 below. The results of that investigation are set forth as **Exhibits B through D** appended hereto.

5. E&Y LLP believes that it has assembled a highly qualified, dedicated team of professionals to support the Debtors during their reorganization efforts pursuant to the terms and conditions of the Engagement Letters.

6. I am the coordinating partner for E&Y LLP's engagement with the Debtors. I am E&Y LLP's North Central area practice leader for Business Risk Services (BRS). E&Y LLP's North Central BRS practice includes practices in Cleveland, OH; Columbus, OH; Detroit, MI; Pittsburgh, PA; Cincinnati, OH; Louisville, KY and Upstate NY. I have over 17 years of experience serving clients in the manufacturing, automotive, and other industries. E&Y LLP's North Central area BRS practice provides risk-oriented services including internal audit co-sourcing and outsourcing, Sarbanes Oxley compliance support, and special projects. I have a Bachelor of Business Administration from the University of Michigan and am a member of the Institute of Internal Auditors.

7. I believe that the retention of E&Y LLP offers numerous benefits to the Debtors and their ability to reorganize based on E&Y LLP's extensive work with the Debtors over the past nine months, during which it has obtained an in-depth understanding of the Debtors and their businesses.

#### SERVICES TO BE RENDERED

8. The Debtors have requested that E&Y LLP render certain Sarbanes-Oxley, valuation and tax services during the pendency of these Chapter 11 cases. E&Y LLP has agreed to provide the following Sarbanes-Oxley, valuation and tax services, as set forth in further detail in the Engagement Letters (the "*Services*"), to the Debtors during the pendency of these Chapter 11 cases, subject to this Court's approval of the Application:

## **I. Functional Testing**

- a. Assist management of the Company in the planning and execution of its functional testing of internal controls over financial reporting for the Company's significant accounts and processes, as identified by the Company, and to report any findings and recommendations for improvements in the controls E&Y LLP may identify as a result of this assistance.

## **II. IT SOX 404 Support and Segregation of Duties (SOD)**

- b. Assist Delphi IT in assessing, testing and remediating the IT General Computer Controls environment for applications supporting financial processes in accordance with compliance to Sarbanes Oxley Section 404 legislation. Application controls will be considered as required throughout the process.
- c. Assist Delphi with their remediation effort of the Segregation of Duties (SOD) issue raised during the 2004 404 assessment.
- d. Assist in the remediation of Segregation of Duties, which includes organizing and analyzing relevant end user security data against defined business conflicts, providing subject matter expertise on the required user access/profile clean-up, and supporting the design and implementation of preventive and detective processes/tools.
- e. Provide resources to support Delphi with certain deliverables as required.

## **III. Assistance with Delphi Corporate Accounting Policies (DCAP)**

- f. Assist management of the Debtors in the development of the organization, format and content update of its Delphi Corporate Accounting Policies manual, with primary emphasis on providing the Company with recommended updates to the DCAP to reflect references to, and/or descriptions of, current US Generally Accepted Accounting Principles that may be applicable to the Debtors.

## **IV. Certus Implementation Assistance**

- g. Assist the Debtors in the implementation of the Certus Sarbanes Compliance Tool, including assistance in identifying functional / technical requirements, and working with Certus and Management of the Debtors to implement the application in accordance with those requirements.
- h. Assist in the completion of the following activities: (i) general project management responsibilities with direction from the Company; (ii) assistance in documenting the functional, technical, and system requirements; (iii) assistance in designing the tool functionality according to the company's specifications; (iv)

assistance in the design and execution of integrated testing; and (v) assistance in the development and deployment of user training.

- i. Provide resources to support the Debtors with developing deliverables which the Debtors deem appropriate for the project.

## **V. Loan Staff Assistance**

- j. Provide certain professional personnel of E&Y LLP for the purpose of assisting the Debtors with the documentation process related to specific projects as mutually agreed by E&Y and the Debtors. With respect to this project, E&Y LLP will provide the personnel to perform the following services and such other related services as requested by appropriate members of the Debtors' management and agreed to by E&Y LLP: (i) support Delphi's management in its SOX 404 remediation activities related to contract administration, including assistance under the direction of Delphi in documentation of the contract administration process; (ii) interviews with stakeholders; (iii) and related administrative processes and documentation.

## **VI. Valuation Services**

- k. Provide services relating to the Debtors' Financial Accounting Standard Board's (FASB) Statement No. 142 (SFAS 142) Goodwill and Other Intangible Assets analysis, including (i) assessing the fair value of two Delphi divisions, each with manufacturing facilities in North America, Europe, Asia Pacific and South America, with the overall goal being to assist Debtors' management in assessing the total value of the divisions for the purpose of adhering to SFAS 142 for financial reporting purposes; and (ii) estimating the fair value of certain assets identified by the Debtors to assist in the goodwill impairment tests for the purpose of restating goodwill according to FASB's fair value standards.

## **VII. Tax Services**

- l. Provide research, compilation of data, and analysis with respect to the application of Section 382 of the Internal Revenue Code. During the term of this engagement, E&Y LLP and the Debtors may mutually agree that E&Y LLP shall provide certain additional tax services to the Debtors, in accordance with past practices; provided, however, that any such additional tax services do not give rise to any auditor independence issues.

### **PROFESSIONAL COMPENSATION**

9. Subject to the Court's approval and pursuant to the terms and conditions of the Engagement Letters, E&Y LLP intends to bill the Debtors for the Services rendered to the

Debtors based on its hourly rates for such services as set forth in **Exhibit A** to this Affidavit, in addition to reimbursement of actual expenses. E&Y LLP's hourly rates are subject to periodic adjustment in accordance with E&Y LLP's standard policies in the ordinary course of E&Y LLP's business; generally, periodic revisions to E&Y LLP's hourly rates are made on May 1st of each year. E&Y LLP will advise the Debtors, the United States Trustee's Office and the committee (if any) designated to review fee applications (the "*Fee Review Committee*") of our new rates once they are established if a rate change is effective during the course of this engagement.

10. E&Y LLP intends to apply to the Court for allowance and payment of compensation for professional services rendered and reimbursement of expenses in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules for the Southern District of New York, the United States Trustee Guidelines and the Engagement Letters, and pursuant to any additional procedures that may be established by the Court in these cases.<sup>3</sup>

#### OTHER TERMS AND CONDITIONS OF THE ENGAGEMENT LETTERS

11. Copies of the Engagement Letters are attached to the Application and were submitted for approval therewith. E&Y LLP's provision of services to the Debtors is contingent upon the Court's approval of each term and condition set forth in the Engagement Letters.

#### Termination

12. The Debtors or E&Y LLP may terminate the Engagement Letters at any time, provided, however, that the terminating party shall notify the other, and shall provide the Court, the United States Trustee's Office, the Creditors' Committee and the Fee Review Committee (if

<sup>3</sup> The Application requests approval of an exception that any EYGL Member Firms (as defined below at paragraph 19) providing Services under the Engagement Letters will be permitted to use category codes to describe the time spent, rather than the more detailed descriptions usually required for fee applications.

any) with three (3) business days' notice of termination. In any event the Engagement Letters will expire upon the earlier of the completion of the services to be rendered by E&Y LLP thereunder or the effective date of the Debtors' confirmed plan of reorganization, or liquidation of the Debtors' assets under Chapter 11 or 7 of the Bankruptcy Code, or otherwise. The provisions of the Engagement Letters relating to indemnification, limitation of liability, fees and expenses, and alternative dispute resolution will remain operative and in full force and effect regardless of any termination or expiration of this Agreement and shall survive completion of the Debtors' bankruptcy whether through a confirmed plan of reorganization, liquidation of the Debtors' assets under Chapter 11 or 7 of the Bankruptcy Code, or otherwise.

Dispute Resolution, Indemnification and Limitations of Liability

13. Included among the terms and conditions set forth in the Engagement Letters is language substantially similar to the following:

Any controversy or claim with respect to, in connection with, arising out of, or in any way related to this Agreement or the Services provided hereunder (including any such matter involving any parent, subsidiary, affiliate, successor in interest or agent of [the Company/Skadden] or of E&Y [LLP]) shall be brought in the Bankruptcy Court, or the District Court if such District Court withdraws the reference and the parties to this Agreement, and any and all successors and assigns thereof, consent to the jurisdiction and venue of such court as the sole exclusive forum (unless such court does not have jurisdiction and venue of such claims or controversies) for the resolution of such claims, causes of action or lawsuits. The parties to this Agreement, and any and all successors and assigns thereof, hereby waive trial by jury, such waiver being informed and freely made. If the Bankruptcy Court, or the District Court upon withdrawal of the reference does not have or retain jurisdiction over the foregoing claims or controversies, the parties to this Agreement and any and all successors and assigns thereof, agree to submit first to non-binding mediation; and, if mediation is not successful, then to binding arbitration, in accordance with the dispute resolution procedures set forth in [Exhibit C to the SOX Engagement Letter, Exhibit D to the Valuation Engagement Letter, Exhibit B to the Delphi Tax Engagement Letter, and the attachment to the Skadden Tax Engagement Letter] to this Agreement. Judgment on any arbitration award may be entered in any court having proper jurisdiction. The foregoing is binding upon [the Company/Skadden], E&Y [LLP] and any all successors and assigns thereof.

14. The SOX Engagement Letter, Valuation Engagement Letter and Delphi Tax Engagement Letter provide for the following indemnification by Delphi:

To the fullest extent permitted by applicable law, the Company shall indemnify, defend and hold harmless E&Y [LLP], from and against all (A) claims and causes of action, pending or threatened, of any kind (whether based on contract, tort or otherwise) by third parties, including any affiliate of the Company, related to or arising out of (i) the use, disclosure of or reliance on, any Report or any portion, abstract or summary thereof by any person or entity that obtains access to it, directly or indirectly, from, through or at the request of the Company, (ii) the performance of any services under this Agreement, or (iii) the Company's failure to provide timely, accurate and complete information and resources as necessary for E&Y [LLP] to perform services in accordance herewith (collectively, "Claims") and (B) liabilities, losses, damages, costs and expenses (including, without limitation, reasonable outside attorneys' fees and the allocable costs of in-house counsel) suffered or incurred by E&Y [LLP] in connection with any Claims, provided, however, that the Company shall have no indemnification obligation hereunder to the extent that a court of competent jurisdiction finally determines that a Claim by the Company or a representative of the Debtors' estate has arisen out of E&Y [LLP]'s bad faith, self-dealing, breach of fiduciary duty (if any), gross negligence or willful misconduct.

15. In addition, the SOX Engagement Letter, and Delphi Tax Engagement Letter provide for the following indemnification by E&Y LLP:<sup>4</sup>

E&Y [LLP] shall indemnify, defend and hold harmless Delphi, including its directors, officers, employees, agents and representatives, from any and all claims, demands, actions, damages, liabilities, costs and expenses, including reasonable attorney fees and expenses, to the extent arising out of or resulting from the negligence, illegal acts or willful misconduct of E&Y [LLP] and/or E&Y Personnel in connection with the performance of Services under this Agreement, provided, however, that E&Y [LLP] will have no obligation to indemnify Delphi to the extent that any such claims or damages arise out of or result from third party claims (other than claims by governmental authorities) against Delphi based on any of E&Y [LLP]'s written or verbal work product prepared pursuant to this Agreement (such as reports, analyses, projections, advice, recommendations and other data).

In each case, the indemnifying party shall also pay to the indemnified party any and all costs and expenses incurred in connection with the enforcement of these indemnification provisions.

---

<sup>4</sup> With respect to the SOX Engagement Letter and Delphi Tax Engagement Letter, E&Y LLP's indemnification of Delphi, as set forth in the above paragraph, is substantially the same as provisions previously agreed to by Delphi and E&Y LLP under the Pre-Petition Engagement Letter for Sarbanes-Oxley services.

16. Furthermore, the SOX Engagement Letter, Valuation Engagement Letter and Delphi Tax Engagement Letter provide for the following limitation of liability:<sup>5</sup>

The total aggregate liability of E&Y [LLP] in connection with the Services or otherwise arising out of this Agreement, regardless of whether such liability is based on breach of contract, tort, strict liability, breach of warranty, failure of essential purpose or otherwise, shall be limited to three (3) times the professional fees paid by Delphi to E&Y [LLP] in respect of the Services. Also, E&Y [LLP], E&Y Personnel, or Delphi will not be liable for consequential, punitive or special damages (including loss of profits, data, business or goodwill), regardless of whether such liability is based on breach of contract, tort, strict liability, breach of warranties, failure of essential purpose or otherwise, and even if advised of the likelihood of such damages. Notwithstanding anything to the contrary otherwise set forth herein, the preceding limitations shall not apply (i) in the event of any breach of Section 11 below relating to Delphi Proprietary Information or (ii) if E&Y [LLP] is found to be grossly negligent, to have acted in bad faith, willfully or fraudulently, or to have engaged in self-dealing or a breach of fiduciary duty (if any). Delphi's recourse with respect to any liability or obligation of E&Y [LLP] hereunder shall be limited to the assets of E&Y [LLP], and Delphi shall have no recourse against, and shall bring no claim against, any individual partner of E&Y [LLP] or any of the assets of such individuals. The provisions of this Section 9 shall operate for the benefit of, and shall be enforceable by, any Ernst & Young International member or affiliated firm or any E&Y Personnel that is, together with E&Y [LLP], providing the Services hereunder.

17. The Skadden Tax Engagement Letter provides for the following limitation of liability:<sup>6</sup>

- a. Except in cases of bad faith, willful misconduct or gross negligence by E&Y [LLP] or where E&Y [LLP] has engaged in self-dealing or breach of fiduciary duty (if any), to the fullest extent permitted by applicable law, the total aggregate liability of E&Y [LLP] (and its subcontractors) to Skadden and to Delphi (and to any affiliate thereof for or in respect of which the Services may be performed), regardless of whether such liability is based on breach of contract, tort, strict

---

<sup>5</sup> With respect to the SOX Engagement Letter, Valuation Engagement Letter and Delphi Tax Engagement Letter, E&Y LLP's limitation of liability, as set forth in the above paragraph, is substantially the same as provisions previously agreed to by Delphi and E&Y LLP under the Pre-Petition Engagement Letters for Sarbanes Oxley and valuation services (except the SOX Engagement Letter, Valuation Engagement Letter and Delphi Tax Engagement Letter now provide that E&Y LLP's limitation of liability will not apply to bad faith, self-dealing or a breach of fiduciary duty, if any).

<sup>6</sup> The Skadden Tax Engagement Letter's limitation of liability provisions, as set forth in the above paragraph, were separately negotiated and agreed to between the parties.

liability, breach of warranty, failure of essential purpose or otherwise, in connection with the performance of the Services or otherwise under this Agreement, shall be limited to the fees actually paid to E&Y [LLP] in respect of such Services. In the event E&Y [LLP] becomes Delphi's external auditor at any time while the Services are being performed, or within the time during which any claim relating thereto must be brought against E&Y [LLP] by Delphi, this Agreement shall automatically be deemed to be amended, as of the date hereof, to eliminate this Section IV.A. If so amended, all of the other terms and conditions of this Agreement shall remain in full force and effect.

- b. Except in cases of bad faith, willful misconduct or gross negligence by E&Y [LLP] or where E&Y [LLP] has engaged in self-dealing or breach of fiduciary duty (if any), in no event will E&Y [LLP] (or its subcontractors) be liable to Skadden (or to any affiliate thereof for or in respect of which the Services may be performed or to Delphi) for any consequential, incidental, indirect, or special damages (including loss of profits, data, business or good will) in connection with the performance of the Services or otherwise under this Agreement, whether or not liability is based on breach of contract, tort, strict liability, breach of warranty, failure of essential purpose or otherwise, and even if E&Y [LLP] is advised of the likelihood of such damages. In no event will E&Y [LLP] (or its subcontractors) be liable to Skadden or to Delphi (or to any affiliate thereof for or in respect of which the Services may be performed) for any punitive damages in connection with the performance of the Services or otherwise under this Agreement.

18. The Application seeks an order approving the retention and employment of E&Y LLP in accordance with the terms and conditions of the Engagement Letters, which include the above indemnification and limitation of liability provisions.

Sub-Contracting Services to EYGL Member Firms

19. Prior to the Petition Date, E&Y LLP subcontracted with certain other member firms of Ernst & Young Global Limited ("EYGL") to provide services to the Debtors under the Pre-Petition Engagement Letters for Sarbanes Oxley services. At the Debtors' request, E&Y LLP will continue to subcontract with member firms of EYGL ("EYGL Member Firms," referred to in the SOX Engagement Letters as "E&Y Entities") to provide the services set forth in the SOX Engagement Letter. As set forth more fully below, E&Y LLP shall remain fully and solely responsible for all of its liabilities and obligations under the SOX Engagement Letter.

20. Accordingly, Exhibit B to the SOX Engagement Letter provides the following:

E&Y [LLP] may subcontract a portion of its responsibilities under this Agreement without Delphi's prior written approval to any of the E&Y Entities; provided, however, that E&Y [LLP] shall remain fully and solely responsible for all liabilities and obligations of E&Y [LLP] under this Agreement.

21. The SOX Engagement Letter further provides:

E&Y [LLP] shall be solely responsible for all of the liabilities and obligations of E&Y [LLP] under this Agreement, whether or not performed, in whole or part, by E&Y [LLP], any affiliate of E&Y [LLP], any other member of the global Ernst & Young network or any of their respective affiliates (collectively, the "E&Y Entities," and any of them, an "E&Y Entity"), or any subcontractor or personnel of any E&Y Entity. The Company shall have no recourse, and shall bring no claim, against any E&Y Entity other than E&Y [LLP], or against any subcontractors, members, shareholders, directors, officers, managers, partners, agents, representatives or employees of any E&Y Entity (or any of their respective successors or permitted assigns), or any of their respective assets, with respect to the Services or otherwise under this Agreement.

22. EYGL Member Firms will assist E&Y LLP in the provision of services under the SOX Engagement Letter, an arrangement that is beneficial to the estate for the following reasons. Through an integrated approach to the provision of professional services, E&Y LLP and the other EYGL Member Firm(s) providing services under the SOX Engagement Letter (the "*Engagement Member Firms*") are able to provide a cohesive network of quality and efficiency to the Debtors.

23. Furthermore, having E&Y LLP act as the clearinghouse for invoices submitted by the Engagement Member Firms will be more convenient to the Debtors by allowing billing to be centralized through a single invoice that settles budgeting and foreign currency issues. E&Y LLP will pay such Engagement Member Firms directly for their services, and will apply to the Court for reimbursement by the Debtors of any such payments made by E&Y LLP to the Engagement Member Firms.

DISINTERESTEDNESS OF E&Y LLP

24. In connection with E&Y LLP's proposed retention by the Debtors, E&Y LLP requested the names of all of potential parties in interest in these chapter 11 cases from Shearman & Sterling LLP, special counsel to the Debtors ("Shearman"). Except to the extent described in paragraph 25 of this Affidavit, Shearman provided E&Y LLP with a suggested list of the names of all parties-in-interest, supplemented from time to time thereafter, identified under the following categories:

- (a) Debtors;
- (b) Attorneys for Debtors (general counsel and special bankruptcy counsel);
- (c) Other professionals of the Debtors retained in connection with the Chapter 11 proceeding;
- (d) Debtors' affiliates;
- (e) Attorneys for Debtors' affiliates, if different from above;
- (f) Other professionals of Debtors' affiliates retained in connection with the Chapter 11 proceeding if different from above;
- (g) Debtors' officers;
- (h) Attorneys for Debtors' officers retained in connection with the Chapter 11 proceeding, if different from above;
- (i) Other business affiliations of Debtors' officers;
- (j) Debtors' directors;
- (k) Attorneys for Debtors' directors retained in connection with the Chapter 11 proceeding;
- (l) Other business affiliations of Debtors' directors;
- (m) Debtors' major shareholders (5% or more);
- (n) Attorneys for Debtors' major shareholders retained in connection with the Chapter 11 proceeding;
- (o) Secured lenders, including DIP lenders;
- (p) Attorneys for secured lenders retained in connection with the Chapter 11 proceeding;
- (q) Record noteholders holding 5% or more of any outstanding issuance of notes of the company;

- (r) Attorneys for record noteholders holding 5% or more of any outstanding issuance of notes of the company retained in connection with the Chapter 11 proceeding;
- (s) Indenture trustees;
- (t) Attorneys for indenture trustees retained in connection with the Chapter 11 proceeding;
- (u) Official Statutory Committees Members (all committees);
- (v) Official Statutory Committees Attorneys (for each Official Committee);
- (w) Other professionals retained by each official committee;
- (x) Other professionals retained by members of each official committee retained in connection with the Chapter 11 proceeding;
- (y) Fifty largest unsecured creditors as of the date of filing;
- (z) Attorneys for the fifty largest unsecured creditors retained in connection with the Chapter 11 proceeding;
- (aa) Parties to the Debtor's Significant Executory Contracts and Leases;
- (ab) Attorneys retained in connection with Chapter 11 by parties to the Debtor's Significant Executory Contracts and Leases;
- (ac) Other significant Parties-in-Interest;
- (ad) Attorneys retained in connection with Chapter 11 by Other Significant Parties-in-Interest.
- (ae) Miscellaneous

25. The names of all of the suggested parties-in-interest received from Shearman are set forth in **Exhibit B** to this Affidavit. For the following above-listed categories, no parties-in-interest were identified in the suggested lists provided by Shearman: (e), (f), (h), (i), (k), (l), (p), (r), (u)-(x), (z), (ab). As to those persons or entities identified in the remaining categories above, as well as the persons or entities under categories (u) and (v) appointed since the Petition Date, E&Y LLP searched certain databases of E&Y LLP to determine whether E&Y LLP has provided in the recent past or is currently providing services to the parties-in-interest listed in Exhibit B attached hereto. To the extent that E&Y LLP's research of relationships with the interested parties indicated that E&Y LLP has provided in the recent past or is currently providing services

to any of these entities in matters unrelated to these cases, E&Y LLP has so indicated in Exhibit B attached to this Affidavit. Should additional relationships with parties in interest become known to E&Y LLP, E&Y LLP shall file supplemental affidavits disclosing such connections with the Court.

26. E&Y LLP, a Delaware limited liability partnership, and Ernst & Young LLP, an Ontario limited liability partnership (“*E&Y (Canada)*”), are separate legal entities. While they have, through various agreements, a close operational relationship, that, *inter alia*, provides for certain shared costs and services and mutual financial support, the two firms do not share their profits or their fees on professional engagements.

27. E&Y LLP has searched a database to determine if E&Y (Canada) has provided within the last year or is currently providing services to the parties-in-interest identified by the Debtors pursuant to paragraph 24 hereto. To the extent that E&Y LLP’s research of relationships with the interested parties indicated that E&Y (Canada) has provided in the recent past or is currently providing services to any of these entities in matters unrelated to these chapter 11 cases, E&Y LLP has so indicated in the attached Exhibit B to this Affidavit.

28. The Ernst & Young global network encompasses independent professional services practices conducted by separate legal entities throughout the world. All of these practice entities join the Ernst & Young network by becoming members of Ernst & Young Global Limited (“*EYGL*”), a company incorporated under the laws of England and Wales and limited by guarantee, with no shareholders and no capital. EYGL is the principal governance entity of the Ernst & Young network. Each EYGL Member Firm is a separate legal entity that is separately owned and managed. Through their membership in EYGL, the EYGL Member Firms undertake to operate certain of their professional practices in accordance with agreed standards

and the guidance of EYGL. In addition, EYGL Member Firms share access to certain intellectual property and centrally licensed materials, including the Ernst & Young name. E&Y LLP and E&Y (Canada) are members of EYGL.

29. As set forth above, under the proposed subcontracting arrangement whereby Engagement Member Firms may provide services for certain foreign affiliates of Delphi under the SOX Engagement Letter, E&Y LLP will pay such Engagement Member Firms directly for their services, and will apply to the Court for reimbursement by the Debtors of any such payments made by E&Y LLP to the Engagement Member Firms. In connection with pre-petition Sarbanes Oxley services rendered for the Debtors under the Pre-Petition Engagement Letters for Sarbanes Oxley services, E&Y LLP has previously made payments to certain EYGL Member Firms which it anticipates may be engaged as Engagement Member Firms in the Debtors' chapter 11 cases. This subcontracting arrangement is far more beneficial to and conservative of estate resources than would be the case if each EYGL Member Firm were required to seek separate retention by the Debtors. Although the EYGL Member Firms are not undertaking full-fledged connections checks under this arrangement, no bankruptcy policies should be offended because their work has little or no relationship to the administration of the chapter 11 cases.

30. On November 30, 2004, Ernst & Young U.S. LLP (an affiliate of E&Y LLP) transferred all of its equity ownership in Ernst & Young Corporate Finance LLC ("EYCF") to Giuliani Partners LLC (the "*Transaction*"). As a result, EYCF became a subsidiary of Giuliani Partners LLC and changed its name to Giuliani Capital Advisors LLC ("GCA"). As a consequence of the Transaction, Ernst & Young U.S. LLP no longer has any direct or indirect ownership interest in EYCF, nor in GCA. Given the absence of an ownership relationship, E&Y

LLP believes that it is not necessary, in performing connections checks for work performed by E&Y LLP on and after December 1, 2004, to review connections that either EYCF or GCA may have or have had, nor to search either of those entities' databases for like information, and E&Y LLP has in fact not undertaken such a research. To the best of my knowledge, neither EYCF nor GCA have been engaged to provide professional services to the Debtors in these chapter 11 cases.

31. Prior to the Petition Date, E&Y LLP and the Engagement Member Firms performed certain professional services for the Debtors or their affiliates. At the Debtors' request, E&Y LLP and the Engagement Member Firms have continued to provide services to Debtors after the Petition Date. A summary of the prepetition services is as follows:

- a. E&Y LLP performed services related to the Debtors Sarbanes-Oxley function under the Pre-Petition Engagement Letters dated February 23, 2005, April 18, 2005 and April 20, 2005 as well as services that fell under amendments to the February 23, 2005 Pre-Petition Engagement Letter.
- b. E&Y LLP provided valuation services in connection with Debtors' fixed assets under SFAS 142 as detailed in the Pre-Petition Engagement Letter dated June 3, 2005.
- c. E&Y LLP provided tax-related services as detailed in the engagement letter between E&Y LLP and Skadden dated October 17, 2005.

32. E&Y LLP has an outstanding balance of \$72,302 due from the Debtors as of the Petition Date for the pre-petition services rendered and expenses incurred by E&Y LLP with respect to the services described in the preceding paragraph (the "*Prepetition Balance*"). The Application proposes that \$66,746 in overpayments made by the Debtors to E&Y LLP on or before July 1, 2005 be applied toward to the Prepetition Balance, which would result in an adjusted outstanding balance of \$5,556 due from the Debtors for pre-petition services and expenses rendered (the "*Adjusted Prepetition Balance*"). As a condition of its retention by the

Debtors, E&Y LLP shall waive the Adjusted Prepetition Balance and will not have a claim for the Adjusted Prepetition Balance.

33. As part of their practice, E&Y LLP appears in cases, proceedings and transactions involving many different attorneys, financial advisors and creditors, some of which may represent or be claimants and/or parties in interest in these cases. To the best of my knowledge, as set forth in **Exhibit C** hereto, no professionals involved in these cases have in the past and/or are currently providing services to E&Y LLP with respect to matters related to these chapter 11 cases except as described in paragraph 34 below, and E&Y LLP does not have any relationship with any such entity, attorney or financial advisor that is materially adverse to the Debtors.

34. Latham & Watkins ("Latham") represented E&Y LLP in connection with E&Y LLP's attempts to be retained in these chapter 11 cases prior to Latham's appointment as counsel to the Official Committee of Unsecured Creditors. Latham does not currently represent E&Y LLP in any matters related to these chapter 11 cases, and E&Y LLP has retained other counsel (Mayer, Brown, Rowe & Maw LLP) to represent it in connection with this retention. Accordingly, E&Y LLP believes that this prior relationship does not render E&Y LLP's interests adverse to the Debtors.

35. Parties in interest which are parties in litigation wherein E&Y LLP is a party are set forth in **Exhibit D** appended hereto. To the best of my knowledge, none of these matters are related to these chapter 11 cases.

36. Certain entities that are parties in interest herein are lenders to or 401(k) service providers for E&Y LLP: Citigroup (Citibank, N.A.) and Sun Trust Bank participate in E&Y's Revolving Credit Program; E&Y LLP has borrowed long-term debt from Metropolitan Life

Insurance Company; and Fidelity Investment Institutional Operations Company, Inc. is the provider of E&Y LLP's 401(k) program.

37. E&Y LLP has thousands of professional employees. It is possible that certain employees of E&Y LLP have business associations with parties in interest in these cases or hold securities of the Debtors or interests in mutual funds or other investment vehicles that may own securities of the Debtors. To the best of my knowledge, none of the E&Y LLP personnel presently providing Services to Delphi under this engagement own securities of Delphi. Furthermore, E&Y LLP has implemented measures to prevent any personnel with stock-ownership from being engaged in the future in these engagements.

38. To the best of my knowledge, information and belief formed after reasonable inquiry, but for services provided to the Debtors prior to the Petition Date as set forth above in paragraph 31, none of the services rendered by E&Y LLP to the entities as set forth in Exhibit B hereto and herein, have been in connection with Debtors or these cases. E&Y LLP believes that these relationships will not impair E&Y LLP's ability to objectively perform professional services on behalf of the Debtors. E&Y LLP will not accept any engagement that would require E&Y LLP to represent an interest materially adverse to the Debtors.

39. Both prior to and following the Petition Date, E&Y LLP and certain EYGL Member Firms have been approached by certain entities interested in engaging E&Y LLP or another EYGL Member Firm to provide financial and/or tax due diligence in connection with possible acquisitions of certain domestic or foreign affiliates of Delphi (*“Due Diligence Services”*). After learning this, I followed up with inquiries to members of these teams regarding the status of these potential engagements. To the best of my knowledge, after making these inquiries, except to the extent described below, no EYGL Member Firm, including E&Y LLP,

has or have provided Due Diligence Services and I do not believe that E&Y LLP has any interests adverse to the Debtors.

- a. Prior to the Petition Date, E&Y LLP provided certain Due Diligence Services to an entity ("Purchaser A") regarding the possible acquisition of a non-Debtor affiliate of Delphi. The work for this project was completed prior to the Petition Date, and the project has been closed.
- b. Prior to the Petition Date, E&Y LLP provided certain Due Diligence Services to an entity ("Purchaser B") regarding the potential acquisition of a business segment of Delphi. Prior to the Petition Date, this work was put on hold by Purchaser B and E&Y LLP has not provided any services on this engagement since then. The engagement is not closed and E&Y LLP may be requested to provide further Due Diligence Services to Purchaser B.
- c. Prior to the Petition Date, E&Y LLP provided certain Due Diligence Services to an entity ("Purchaser C") regarding a possible transaction involving a division of Delphi. Since prior to the Petition Date, E&Y LLP has not provided any services under this engagement. The engagement is not closed and E&Y LLP may be requested to provide further Due Diligence Services to Purchaser C.
- d. After the Petition Date, the EYGL member firm in Germany provided certain Due Diligence Services to an entity ("Purchaser D") regarding a potential acquisition of a non-Debtor affiliate of Delphi. The due diligence work has been completed and a report is being prepared.
- e. The EYGL member firm in Belgium is currently providing certain Due Diligence Services to an entity ("Purchaser E") regarding a possible acquisition of a business segment of Delphi.

40. I further believe that the engagements described above do not render E&Y LLP's provision of Sarbanes-Oxley, valuation or tax-related services adverse to the Debtors based on the following: (1) none of the E&Y LLP personnel who have or are expected to provide the Services for which E&Y LLP now seeks approval have been involved in any of the engagements for Due Diligence Services; (2) in accordance with firm policies, E&Y LLP will implement precautions to create an "information barrier" to prevent any overlap of team members between these engagements to occur in the future, to maintain strict confidentiality among the members of the team under this engagement and to secure the work product in this engagement; (3) Due

Diligence Services are generally handled by separate practice groups within E&Y LLP from the Sarbanes-Oxley, valuation and tax services under the Engagement Letters, with little, if any, commingling of team members or sharing of information; for the most part these groups work independently of one another, and do not share personnel or information with one another, except to the extent that certain subject matter experts, e.g. tax, are occasionally consulted to provide advice; and (4) E&Y LLP will not accept any other engagements to provide Due Diligence Services related to the Debtors in the future during the pendency of their engagement by Delphi in the Debtors' chapter 11 cases; and additionally, notification will be sent to appropriate partners at relevant EYGL Member Firms advising them that Due Diligence Services related to the Debtors should not be accepted during the pendency of the Debtors' chapter 11 cases.

41. For the forty-two entities indicated in **Exhibit E** attached hereto, E&Y LLP continues to follow up with various E&Y LLP personnel in order to confirm that the work that E&Y LLP is doing for or has done for such entities has no connection with the Debtors or these chapter 11 cases. E&Y LLP also continues to follow up with various E&Y LLP personnel in order to confirm that legal advisory services provided to potential parties-in-interest have no connection to the Debtors or these chapter 11 cases. To the best of my knowledge, information and belief as of the date of this Affidavit, I am not aware of any information indicating that the work that E&Y LLP has performed and/or is performing for these entities is connected with the Debtors or these cases. E&Y LLP recognizes its legal obligation to continue these follow-up efforts, and in the event that E&Y LLP's continuing follow-up efforts with regard to these entities reveals that work that E&Y LLP performed or is performing for any of these entities is

related to the Debtors or these chapter 11 cases, E&Y LLP will promptly file a supplemental affidavit with this Court so disclosing.

42. To the best of my knowledge, information and belief, neither the undersigned nor the professionals anticipated to assist the Debtors in these matters are connected to the judge, U.S. Trustee or assistant U.S. Trustee assigned to this matter.

43. Despite the efforts described above to identify and disclose connections with parties in interest in these chapter 11 cases, because the Debtors are a large enterprise with numerous creditors and other relationships, E&Y LLP is unable to state with certainty that every client representation or other connection of E&Y LLP has been disclosed. In this regard, if E&Y LLP discovers additional information that requires disclosure, E&Y LLP will file supplemental disclosures with the Court as promptly as possible.

44. To the best of my knowledge, information and belief formed after reasonable inquiry, E&Y LLP does not hold nor represent any interest materially adverse to the Debtors in the matters for which E&Y LLP is proposed to be retained. The proposed employment of E&Y LLP is not prohibited by or improper under Bankruptcy Rule 5002. Accordingly, I believe that E&Y LLP is eligible for retention by the Debtors under the Bankruptcy Code.

45. During the ninety days immediately preceding the Petition Date, the Debtors paid fees totaling \$6,272,138 to E&Y LLP. During the twelve months immediately preceding the Petition Date, the Debtors paid fees totaling \$8,907,968 to E&Y LLP.

46. At the Debtors' request, on November 1, 2005, E&Y LLP provided the Debtors with an invoice for post-petition fees and expenses in the amount of \$649,714 for the Sarbanes-Oxley and valuation services provided to the Debtors between October 8, 2005 and October 31, 2005. E&Y LLP has not received this or any other post-petition payments from the Debtors.

47. E&Y LLP and the Debtors have been engaged in discussions regarding the potential engagement of E&Y LLP to provide external auditing services for the Debtors. As of the date of this Affidavit, no formal agreements have been entered between the parties regarding such external auditing services and E&Y LLP has not provided any such services for the Debtors. In connection with this potential engagement, E&Y LLP will submit a formal proposal to the Debtors on or about November 18, 2005. In the event that the Debtors choose to retain E&Y LLP to provide such services, E&Y LLP anticipates that it will have completed all Services under the Engagement Letters prior to the date when such engagement would begin. Any such retention and employment of E&Y LLP as external auditors will be subject to supplemental filings by the Debtors and E&Y LLP and the approval of the Court.

48. None of the parties in interest accounted for more than one percent (1%) of E&Y LLP's revenues in 2005.

49. Except as otherwise disclosed herein, E&Y LLP has not shared or agreed to share any of its compensation above in connection with this matter with any other person.
